Description: Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has determined that on Model Year ("MY") 2012-2020 GLE/ML (166 platform) and GLE Coupe (292 platform) vehicles, water might intrude into the rear area of the vehicle and, over time, accumulate in the spare wheel well. In certain driving situations, and depending on the amount of water that has entered the spare wheel well, the accumulated water could intermittently contact the fuel pump control unit. Consequently, the fuel supply to the engine could be interrupted, which would lead to a loss of propulsion without warning. In such circumstances, the risk of a crash could be increased. As a precautionary measure, an authorized Mercedes-Benz dealer, will install a water drain plug in the spare wheel well on the affected vehicles, check for water infiltration into the spare wheel well and replace the fuel pump control unit, if necessary.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
